Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Discussion revolved about clarification of the rejections set forth in the prior Office Action and suggestions for possible changes to the claim language that could help put the claim limitations in better condition for allowance or appeal.

The interview included discussion of the applied art and clarification of Applicant's invention, including a description, by Applicant, of proposed amendments to claim 1 and the proposed addition of claim 34. Applicant presented reasons that his invention differentiated itself over the applied Burks and Campbell references.

Examiner will reconsider the references in light of amendments made.
